

In one School Year in Windsor alone, we throw out roughly 1/2 a Million Non Recyclable Lunch Trays

If stacked, they would be taller than the worlds four largest structures COMBINED!

180 Days in School Year
 4200 Children in Schools in Windsor
 60% Percent estimated on average that buy Lunch
 453600 Total Trays Consumed Annually

1.625 Inches Per 10 Trays (Genpak 10500 Sampling)
 73,710 Total Inches if Stacked in One Pile
 6,143 Feet High
